CHEVAL QUANCARD

GRANDS VINS DE BORDEAUX

Château Franc Pipeau Saint-Emilion Grand Cru Aged in oak barrels

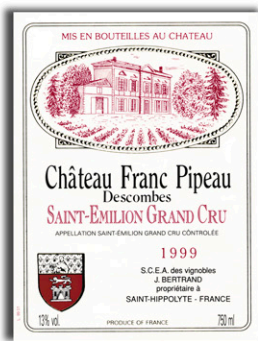

The Bertrand family has upheld its passion for vines and wine over five generations.

Jacques Bertrand and his children are now building on that know-how with a combination and modernity and observance of tradition.

The vineyard, planted on the south side of the Saint-Emilion hillside at the foot of the Tertre Daugay, covers a total of 16 hectares.

Stringent selection plus crown suckering, thinning and leaf stripping provide a proper control of yields and optimise quality.

The grapes are hand picked before being selected on the sorting table.

The wine

Location: 16 hectares in the commune of Saint-Emilion, 50 km east of Bordeaux.

Soils: clay and limestone, and sand and gravel

Grape varieties: 65% Merlot, 30% Cabernet Franc, 5% Cabernet Sauvignon.

Ageing: in temperature controlled stainless steel vats followed by 15 months in oak barrels (half of which are renewed each year).

Cellaring potential: 3 to 8 years

Tasting

A pleasing, garnet red colour.

A bouquet combining cooked fruit and the spicy, vanilla aromas of fine oak.

Rich and generous thanks to the ripeness of the tannins, elegantly enhanced by a touch of woodiness.

A wine of distinct personality, typical of the appellation, home to the finest wines.

Serving

Serve with poultry and roast wildfowl, duck preserve,

Brie, Edam or Emmental cheese.
