GRANDS VINS DE BORDEAUX

Lafleur Mallet Sauternes Selection of noble grapes

A selection of Noble Grapes, truly representative of the finest sweet white wines from Bordeaux.

The wine

Soil: clay and limestone

Grape varieties: 50% Sémillon, 20% Sauvignon, 30% Muscadelle.

Ageing: in temperature controlled stainless steel vats

Cellaring potential: 5 years

Tasting

A pleasant golden colour.

A nose with hints of oranges, honey and candied fruit.

The excellent concentration on the palate reveals the full expression of the grapes ripened by the sun and roasted by the botrytis.

Serving

Serve as an aperitif, with foie gras and with pastries.
