

Baron Monbarduc Bergerac

The wine

Location: 120 km east of Bordeaux
Soils: clay, clay and limestone
Grape varieties: Merlot and Cabernet
Ageing: in temperature controlled stainless steel vats
Cellaring potential: 2 to 3 years

Tasting

A garnet red colour.
A floral and fruity nose.
A good balance on the palate, rich and never excessive,
with round tannins.

Serving

Serve with grilled meat or with cold delicatessen.
