

CHAI DE BORDES

BORDEAUX CLAIRET - 2018

OUR BRAND

The wines of the appellation bordeaux-clairet are the wines closest to the wines that were shipped to England during the Middle Ages (French claret) and made the fortune of Bordeaux at that time. They are very refreshing wines of a light red color, between the color of a bordeaux and that of a rosé. Chai de Bordes offers a subtle compromise between the freshness of the rosé and the finesse of a light red.
