

A great, yet modest terroir ! When Marcel Quancard bought it from an ageing winegrower in 1978, he painstakingly pieced the vineyard back together, taking care to preserve the true spirit of the land and its wine. 12 km north of Saint-Emilion, Château Bonfort has become a small 4-hectare haven for the appellation's hallmarks, concentrating the flavours so typical of the Saint-Emilion area.

## THE WINE

### Blend

70% Merlot, 30% Cabernets.

### Vinification

Traditional vats stainless steel thermo regulated, with 2 to 3 weeks maceration.

### Ageing

In barrels of oak French antler renewed by half every year.

### Ageing potential

Ready to drink now, this wine will reach its full potential around 2027/2029.

### Tasting

Deep colour with glints of plum. Lovely aromatic nose with delicate scents of tart red fruit and blackberries. The tannins are very supple, and the palate reveals notes of berries and raspberry coulis. A great success.

### Food Pairing

Enjoy with poultry, red meat and also with hard cheese.
